

Privacy Notice on the Processing and Protection Of Personal Data Of Employees

Last Update: 16.03.2020 Revision Number: 01

Turkish Airlines (hereafter will be referred as “**THY**”, “**Company**” or “**We**”) conducts certain personal data processing activities within the scope of employment relationship among Company’s, service relationship among our affiliates and contractors employees and us. We acknowledge our responsibilities arising from the legislations that we are subjected to while we are running data processing operations and we take all necessary measures to ensure that your personal data are processed in accordance with the law.

Alongside with other various technical and operational actions that we take to this end, we have prepared the Türk Hava Yolları Anonim Ortaklığı Notice on the Processing and Protection of Personal Data of Employees (“**Notice**”) herein and submitted for the consideration of our Company, affiliates’ and contractors’employees. Within the Notice, the principles to be complied when processing the personal data of our employees have been determined and steps have been taken to ensure that data processing activities of our Company are transparent. As Turkish Airlines, our primary objective is to ensure full compliance with all national and international legislation that we are subjected to, primarily with Personal Data Protection Law numbered 6698 (“**Law**”).

Lawfully processing personal data of our employees is our priority. For this reason, we take all necessary measures to ensure that all personal data of our employees are secure and any unlawful access or disclosure of personal data are prevented.

Under certain circumstances, we may share the personal data of our employees with third parties. Where we conduct such transfers, we share the minimum possible personal data and share only with our trusted business partners. In addition, we take all necessary technical and administrative measures to avoid any breach of data during and after the relevant data sharing.

As data subjects, you are entitled to various rights in relation to your personal data under the Law. We take all necessary measures and we show the utmost respect your preferences to ensure that our employees have control over their personal data and they can easily utilize their rights that they are entitled to under the Law.

An important right that you are entitled to under the Law is to learn for which purposes that your personal data are collected and transferred. For you to use this right and ensure that your personal data is processed transparently, we have provided information about the purposes for which your personal data is processed for under the Notice. You may find detailed information regarding what kind of personal data are processed for what purposes, you may refer to title “*For Which Purposes Do We Process Personal Data?*” of the Notice.

You may find information regarding other rights that you are entitled under the Law from the title “*Rights of the Data Subjects*”. To find information about how you can use these please refer to title “*The Exercise of Rights by the Data Subjects*”. You may also contact us through the channels stated under title “*Questions and comments*” should you have questions or feedback about your rights, methods that you may use these rights or about the Notice in general.

Sincerely,

Türk Hava Yolları Anonim Ortaklığı

1. Introduction

This Notice is prepared in order to provide necessary information regarding which personal data relating to Company's, affiliates' and contractors' employees are processed by THY in the course of the employment relationship established with the related employees as well as after the employment relationship is terminated as well as to ensure transparency.

This Notice consists of explanations regarding the processing of personal data relating to employees of THY; whereas explanations concerning the processing of personal data relating to other persons (e.g. customers of THY) are provided for under the Türk Hava Yolları Anonim Ortaklığı Notice on the Processing and Protection of Personal Data located at <https://www.turkishairlines.com/en-tr/legal-notice/privacy-policy/index.html>.

The nature of the relationship established with our Company affects the processing activities performed upon your personal data. For instance, as an employee of THY, in case you purchase a ticket on the website operated by THY, personal data relating to you will be subject to processes concerning our customers' personal data, and the indications provided within this Notice will not be applicable for the processing activities.

We reserve the right to make changes to this Notice in order to provide accurate and up-to-date information concerning practices and regulations relating to the protection of personal data. Additionally, data subjects will be informed by appropriate means in the event of a substantial change to the Notice.

2. How Do We Obtain Your Personal Data?

4. For Which Purposes Do We Process Personal Data? What Is The Legal Basis?

As per the Law, personal data can only be processed in the presence of at least one of the conditions set forth under Articles 5 and 6 of the Law and/or required by international legislation. In this respect, as THY we process personal data based on legal reason; our employees within the scope of the conclusion or performance of employment agreements, fulfillment of the obligation arising from the employment agreements, expressly permitted by law, compliance with our legal obligations under the relevant regulations and our legitimate interests provided that such interests do not have a negative impact on our employees' fundamental rights and freedoms, where the employees have revealed their personal data to the public for example when the visa applications are requested to be completed by THY and in order to establish a right for our employees and exercise this right.

In addition to the above-listed conditions for processing personal data, we may request you to explicitly consent to the processing of your personal data (e.g. when we process special categories of personal data). If this is the case, personal data will be processed limited to the scope of your freely given explicit consent. You may at any time revoke your explicit consent.

In this regard, personal data will be processed by THY, in accordance with the conditions for processing personal data set forth under Articles 5 and 6 of the Law and within the scope of the below-listed purposes:

4.1. Compliance with obligations under the employment agreement

Your personal data may be processed within the scope of the contractual obligations related to the employment agreement between you and THY. In this respect, your personal data may be processed for purposes such as;

- fulfilling contractual obligations such as personnel management, distribution of work and salary, premium, retirement, employee rights management such as health, insurance and permits,
- evaluation of employee performances and accordingly salary, bonus and other compensation assessments,
- gathering and processing necessary documents related to opportunities and side benefits provided due to direct or indirect working relation,

--	--	--

Personal data may be shared with group companies, business partners, public institutions and private persons authorized by law pursuant to conditions and purposes of processing personal data as stated under Article 8 and 9 of the Law, and may be transferred abroad, limited with the stated purposes and in accordance with the principles and procedures stated under Article 9 of the Law and decisions of the Personal Data Protection Board.

Your personal data may only be transferred abroad where;

- your explicit consent is obtained, or where your explicit consent is not obtained but one or more data processing condition(s) which stated in the Law are met;
 - the transferred country found to be offering adequate protection by the Personal Data Protection Board decision or;
 - in case of the protection in the transferred country found to be inadequate, a written undertaking to provide adequate protection between our Company and the Data Controller that the data are being transferred to have been reached and the approval of the Personal Data Protection Board have been obtained.
- Within the scope of the provisions in the relevant laws.

6. Retention of Personal Data

Our company determines the retention periods by taking into consideration of the applicable law and purposes of data processing. In this respect, where applicable, we particularly consider the issues of period of limitation and legal obligations regarding the processing of personal data. Once the purpose for processing personal data ceases, unless another legal reason or basis (e.g. the retention of records for purposes of providing evidence in the event of a dispute arising in connection with the employment agreement) allowing the retention of the personal data exists, data will be deleted, destroyed or anonymized.

7. Principles Relating to Personal Data Privacy

Our company acts in accordance with the principles stated below in all data processing activities.

- **Acting in accordance with the law and in good faith**: Our company, during all kinds of personal data processing activities, acts in accordance with the applicable law and in good faith.
- **Authenticity and Being Up-to-date**: Our Company allows data subjects to update their personal data and take necessary measures to ensure that the transfer of data to databases are carried out correctly.
- **Processing for specific, clear and legitimate purposes**: Our company limits personal data processing activities to specific and legitimate purposes and informs data subjects clearly regarding the purposes via privacy notices.
- **Being relevant, limited and proportionate with the purposes**: Personal data processing activities of our Company are proportionate to, relevant and limited with the purpose stated at the time of collecting the personal data.

- **Retention as stated in the related law or as long as necessary for the relevant purpose:**
Where a retention time is specified in the law, our company preserves the Personal Data for that period. In case the Law does not specify any period, our company determines this period in accordance with the processing purpose and company procedures. At the end of the preservation period, in accordance with our company's procedures, personal data will be deleted, destroyed or anonymized.

8. The Use of CCTV (Closed Circuit Television)

When you visit our company premises, your visual and audial data may be obtained via CCTV and may be preserved only for a period necessary to fulfill the following purposes. With the use of CCTV, prevention and detection of any criminal act incompatible with the law and company policies, maintaining the security of company premises and equipment located within the premises, protection of visitors' and workers' well-being is pursued. All necessary technical and administrative measures will be taken by our company regarding the security of your personal data obtained via CCTV.

9. Rights of the Data Subjects

In accordance with Article 11 of the Law, data subjects are entitled to the following rights stated at Table 2 below:

Table 2 – Data Subject's Rights

	Learn whether data relating to you are being processed
	Request further information if personal data relating to you have been processed,
	Learn the purpose for the processing of personal data and whether data are being processed in compliance with such purpose,
	Learn the third-party recipients to whom the data are disclosed within the country or abroad.
	Request rectification of the processed personal data which is incomplete or inaccurate and request such process to be notified to third persons to whom personal data is transferred.
	Request deletion or destruction of personal data in the event that the data is no longer necessary in relation to the purpose for which the personal data was collected, despite being processed in line with the Law and other applicable laws and request such process to be notified to third persons to whom personal data is transferred.
	Object to negative consequences about him/her that are concluded as a result of analysis of the processed personal data by solely automatic means.
	Demand compensation for the damages he/she has suffered as a result of an unlawful processing operation.

10. The Exercise of Rights by the Data Subjects

You may reach us via the communication channels mentioned in the “Questions and Opinions” section in order to use your rights mentioned above and convey the related requests to us easily. Data subjects’ requests concerning the above-listed rights shall be concluded by our Company within thirty days at the latest, in accordance with the limitations provided by the Law. In principle, data subject requests shall be concluded free of charge. However, THY reserves its right to demand a fee from the tariff specified by the Board, in case the request requires additional costs.

Our Company may request certain information from the data subject in order to determine that the applicant is in fact the Data Subject, and additional questions can be directed to the applicant to clarify matters regarding the applications.

11. Data Security

Our Company takes all appropriate technical and organizational measures to safeguard your personal data and to mitigate risks arising in connection with unauthorized access, accidental data loss, deliberate erasure of or damage to personal data.

In this respect our Company;

- Ensures data security by utilizing protection systems, firewalls and other software and hardware containing intrusion prevention systems against virus and other malicious software,
- Access to personal data within our company is carried out in a controlled process in accordance with the nature of the data and within the framework of the authority on the basis of unit / role / practice,
- Ensures the conduct of necessary audits to implement the provisions of the Law, in accordance with Article 12 of the Law,
- Ensures the lawfulness of the data processing activities by way of internal policies and procedures,
- Applies stricter measures for access to special categories of personal data, in case of external access to personal data due to procurement of outsource services, our Company obliges the relevant third party to undertake to comply with the provisions of the Law,
- It takes necessary actions to inform all employees, especially those who have access to personal data, about their duties and responsibilities within the scope of the Law.

12. Questions and comments
